2018 Year End Review

The SCA 2018 season ended in October with 187 teams competing for the SCA World Champion Ring and \$10,000. 25 international teams competed from countries including Australia, New Zealand, Japan, Great Britain, The Netherlands, Belgium, Italy, Germany, Austria, Canada, and Mexico.

The 4-day event began with the international night at Wild Acre Brewery in Fort Worth. It was our way to welcome teams from around the world to Texas with beers and fajitas.

On Friday all the Teams and Sponsors attended the Welcome Party and Award Presentations at Billy Bobs Texas. With about 1000 people attending we had a BBQ Dinner cooked by Bryan McClarty, owner of 407 BBQ. Amazing BBQ Bryan.

After Awards there was music by Frankie Ballard to end the night. The awards ceremony is a big part of the evening and we would like to recognize the following recipients.
