## **NEBS Team Spotlight Of The Month** **-Kids Q Team- Hokie Pokie Q Next Gen**

**1. Tell us a little about the team. How did you all get involved in kids Q?**

The team name started Hokie Pokie Q Jr, but we are now naming it Hokie Pokie Q NextGen. Next generation family Hokie Pokie Q. The team consists of sister (Rachel, 12) and brother (Brandon, 8) and sometimes our big brother (Drew, 14). Our chief cook is the oldest who is there. We wanted to learn to cook because it looked fun.

**2. What do you like most about competitions?**

Competing and cooking. Also, we like hanging out with family and camping.

**3. What are some of the challenges of competitions?**

Not making mistakes, sometimes we don't know cooking is ready.

**4. Why do you love barbecue?**

The taste is good, it is fun, we make friends, and we get to go different places.

**5. If there is one piece of advice you can give to a team first starting out, what is it?**

Just cook and have fun and don't get disappointed about not winning.

First and foremost, we want to thank Kim Stanfield for all of her hard work and tremendous efforts as President over the past few years and look forward to her helping us with the transition to Teresa Milano. The Board will definitely miss Antonio (Tony) Olive, Eoin Lynch and Scott Abrutyn. Their contributions were appreciated and all of their helped with our success. We would like to welcome new Board members Craig Kimberly,

Mike Leger and Anthony Mardenly.

Our New Year's resolution for 2019 is to continue to offer classes and host more events. In fact, we started 2019 off by holding our second NEBS Judges Certification Class on January 19th. We had a wonderful turnout and thanks to Andy King of The Bastey Boys Barbecue Brigade for teaching such a great class!
