NEBS Spotlight Of The Month

Boo Boo Qued

1. Tell us a little about you and your team. How did you get started in competitions and why did you start?

Boo Boo Qued - Mic & Kim Stanfield

Mic: being from Memphis, growing up around BBQ, it has always been an interest and love. In 2000 we went to our first competition in New England as spectators, in 2011 we became KCBS Judges and our first competition was with The Bastey Boys in 2013. Boo Boo Qued was formed as a competition team in 2016.

2. What do most like about competitions?

Our BBQ friends!!

3. What are some of the challenges of competitions?

For us, packing!! Especially with the NEBS competitions - so much to pack, so much to plan! And of course the logistics getting to and from a comp location... fingers crossed for safe travels.

4. Why do you love barbeque?

BBQ to us is more about good times, good friends & family... laughs, smiles, cheers, and even sometimes tears.

5. If there is one piece of advice you can give to a team first starting out, what is it?

Cook or visit with a team, spend the whole weekend, take notes on what you need, what works, what doesn't - then just jump in and remember to have FUN! Wanna give it a try? Ask us!
